They come on bicycles, pushing strollers, and pulling wagons. Golf carts, scooters, and even pets join in on the fun. Each year usually brings at least one creative Independence Day costume or prop, such as red, white, and blue weed eaters. Welcome to the Brookhaven 4th of July Parade, a much anticipated tradition that brings Brookhaven families, friends, and neighbors together for old-fashioned neighborhood fun and patriotism.

This year's parade on Monday, July 4th, starts at 9:30 a.m. from the Don Cies Real Estate, Inc. office at 1203 Brookhaven Boulevard. People gather in the west parking lot and load up on more balloons and beads before traveling north to the Brookhaven City Park where refreshments and more fun await. A Norman fire engine leads the parade. "Stars and Stripes Forever" plays at the park while neighborhood children wait in breathless anticipation for their turn to play on the fire engine.

Susan Raley, who first suggested the neighborhood parade to celebrate Independence Day in Brookhaven's family-oriented neighborhood in 1989, and the other Realtors and staff with Don Cies Real Estate, Inc. look forward to this day almost as much as the children do.

The Brookhaven 4th of July Parade. It will be hard to miss. Just look for all the smiles! We hope to see you there!
